

Monitoring Tools for Buildings and Warehouses

intruder detection - operating data - running costs

Analog Input

- Filling high
- Filling pressure
- Temperature

Digital Inputs

- Door contacts
- Alarm systems
- Fire detector
- Light barrier
- etc.

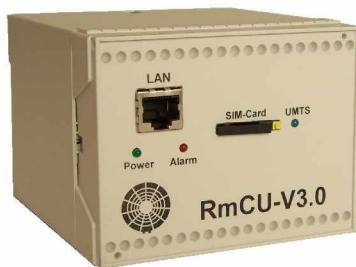

Kamera

- Integrated motion detector
- Power over Ethernet

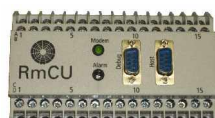

Reading Meter

- Electricity
- Water
- Gas
- Heat

UMTS variant for high speed applications

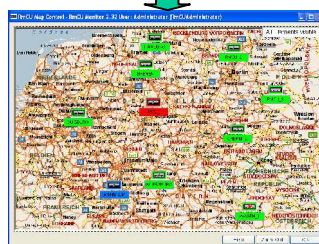

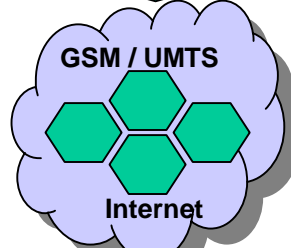

DIN- rail housing

IP-65 housing

UPS

Alarmforwarding

- SMS
- Email
- SNMP (option)
